

**IEEE**

**IEEE Madras Section**

**IEEE Technology Management Council, Madras Chapter**

**IEEE Power and Energy Society, Madras Chapter**

**IEEE, Computer Society, Madras Chapter**

Cordially invite you for a **Technical Presentation** on

**Material Management in  
Tamil Nadu Electricity Board**

by

**Ms. M.Bhuvaneshwari**

**AEE, Tamil Nadu Electricity Board, Chennai**

**Time, Day, Date: 1800 Hrs., Saturday, 23 October 2010**

**Venue: ISTE Professional Centre (IEEE Office)**

**Gandhi Mandapam Road, Kottur Puram, Chennai**

**Ph. : 2442 3939 ; 93823 28776**

**ieemas@airtelmail.in; ieemas@gmail.com**

**H.R.Mohan**  
Chair/CS

**Dr. T.Thyagarajan**  
Chair/ Madras Section

**Er. K.V.Rupchand**  
Chair/TMC & Chair/PES

**(Program, About Speaker & About Topic: Overleaf)**

**Program**

**1800 High Tea**

**1815 Welcome: Dr. T.Thyagarajan, Chair Madras Section**

**1820 About the Topic/Speaker: Er. K.V.Rupchand, Chair TMC/PES**

**1825 Presentation: Ms. M.Bhuvaneshwari, AEE/TNEB**

**1910 Q & A**

**1915 Wrap up & Vote of Thanks: Er. H.R.Mohan, Chair/CS**

**About the Speaker**

**Ms. M.Bhuvaneshwari** is a senior Assistant Executive Engineer with more than 21 years of professional experience in various fields of activities in Tamil Nadu Electricity Board (TNEB). Presently, she is in charge of Material Management in TNEB. She is a BE (EEE) 1989 from Government Engineering College, Tirunelveli. She is a visiting faculty in the Staff Training College and other organizations for making presentations on various facets of Material Management.

**About the Topic**

Though titled Material Management (MM) in Tamil Nadu Electricity Board, the issues involved, procedures adopted, and need for meticulous planning pertaining to MM exist in many major & medium organizations and pose challenges to Engineers, in general. Issues become critical if the organization is one such as TNEB and will have great impact if not diligently and properly tackled, as service to the society at large is seriously affected. One can easily visualize the adverse impact on the financial health and technical competency of an organization if its MM is not taken care of competently.
