

National Workshop on "MATLAB"

Organized by
Department of Computer Science & Engineering
R.M.D. Engineering College

In association with
Computer Society of India, Chennai Chapter
IEEE Computer Society, Madras Chapter
ISTE Local Chapter

ABOUT THE WORKSHOP

This program centres on theories, and practices of MATLAB, a Simulation environment using MATLAB 7 tool for the entire Research community. Researchers will have an opportunity to consider the best way to address the skills gap in MATLAB and understand to build it for many applications. At the end of the program the participants will be able to:

- Learn the fundamentals of MATLAB-7, Installation and its various Tool Boxes.
- Explore the simulation of both Image pre-processing and case studies of Image Processing.
