

National Workshop on “Network Simulator”

Organized by
Department of Computer Science & Engineering
R.M.D. Engineering College

In association with
Computer Society of India – Div IV & Chennai Chapter
IEEE Computer Society, Madras Chapter
ISTE Local Chapter

ABOUT THE WORKSHOP

This program centres on theories, and practices of Network Simulator, a Simulation environment using NS-2 tool for the entire Research group. It considers those skills deemed essential for the successful researcher in Network and identifying where there are any gaps. Students & Researchers will have an opportunity to consider the best way to address the skills in Network and understand to build it accordingly. At the end of the program the participants will be able to:

- Learn the fundamentals of Network Simulator NS-2, Installation of NS-2, and its Components.
- Explore the simulation of both wired and wireless Network with possible case study of Protocols.

RESOURCE PERSON

Ms. R. Shobana Lakshmi, A highly successful CCNA certified Professional, Handled many such workshop to many students currently working at RMD Engineering College as Asst. Professor.

TARGET AUDIENCE: The workshop is designed to cater the needs of the students at PG and research level, and staff members who are interested in improving their technical skills on Network simulation.

DATE & TIMINGS: 17.11.2011 – Thursday:: 09.30 to 16.00 hrs

VENUE: R.M.D. Engineering College, Chennai – 601206

WORKSHOP FEE: The fee will cover Workshop Kit, Course Material, Lunch, Tea and Certificate of Participation.

-- Student Members of CSI / IEEE: Rs. 200/=

-- Academic Faculty: Rs. 250/=

-- Industry & Other Delegates: Rs. 350/=

REGISTRATION: Registration will be done on “FIRST COME FIRST SERVED” basis. As seats are limited, to avoid disappointment, early registration is recommended. DD/Cheque to be drawn in favour of “**The Principal, RMD Engineering College**” and payable at Chennai.
