

National Workshop on Research Methodology

27 & 28, Jan 2012

Organized by

**Department of Computer Science & Engineering
R.M.D. Engineering College**

In association with

**Computer Society of India – Div IV & Chennai Chapter
IEEE Computer Society, Madras Chapter
IEEE Professional Communication Society, Madras Chapter
ISTE Local Chapter**

ABOUT THE WORKSHOP: This program aims to provide an overview of theories, and practices on Research Methodology, a vital aspect and requirement for the researchers. It will address the skills deemed essential for the successful research right from identifying the problem and completing the project and defending the same. Researchers will find this as an opportunity hone their potential. At the end of the workshop, the participants will be able to go with satisfaction in carrying out their research with inputs from sources like IEEE / ACM in their field of research. This programme will have inputs from the University of Mysore and Iowa State University, USA as well. The broad outline of the workshop is as under:

First Day 27-01-2012	Second Day 28-01-2012
1. How to choose problem 2. How to download research papers from IEEE/ACM/SPRINGER/ELSEVIER etc... 3. How to select journals/conferences 4. How to select tools for implementation 5. How to collect data 6. How to perform data analysis with case studies	1. How to write a conference paper 2. How to write a journal paper 3. How to present papers 4. How to write project thesis 5.
