About the presentation: The presentation will cover issues about leadership in turbulent times and about a “new” Digital View of leadership which enables the common man to aspire for leadership roles and positions.

About the Speaker: Mr. N. Shiv Shankar (Shiv) holds a Bachelor of Technology degree from the Indian Institute of Technology, Delhi. In his over 30 years of experience in the software industry, he has worked in multinationals like Robert Bosch of Germany, Unilever, Price Waterhouse and Infosys Technologies Ltd. As Associate Vice president and Development Centre Head for over a decade, he led Infosys’s phenomenal growth from 500 to 13,000 people in Chennai. Shiv has a passion for teaching, training, coaching and mentoring people, which he has successfully pursued right through his long career. Shiv is a trained observer and has been a part of several Leadership Skills Assessment Centers both in Infosys and for other clients. Shiv has also designed and conducted a number of Leadership / People Development Programs such as Mentoring using Cars and Kites!; Time Management – Can’t google these ideas!; Leadership – A “digital view”; Career Planning; Turning Feedback into Change - Using 360 degree and other feedback to create Personal Development Plans; Public Speaking; Building Effective Teams; Presentation Skills; Communication Skills; and Cross Cultural Sensitivity
