

Dear all,

Pl. see the announcement reg the call for papers & registration for the seventh international Workshop in Big Data Benchmarking (WBDB 2015) at New Delhi during 14-15, Dec 2015

Pl. note that the members of CSI & IEEE are eligible for concessional registration.

With regards

HR Mohan

Chair - IEEE CS & IPP - CSI

=====.

Dear Colleague,

We are pleased to inform you about the 7th International Workshop in Big Data Benchmarking (WBDB 2015), which will be held in India Habitat Centre, New Delhi, on December 14-15, 2015.

WBDB 2015 will be organized in collaboration with the Center for Large-Scale Data Systems, San Diego Supercomputer Center, University of California San Diego, USA, Indian Statistical Institute, Delhi Centre, and Indian Institute of Public Health (IIPH), Hyderabad.

Formed in 2012, WBDB has become a leading international forum for discussing and disseminating the latest trends, challenges, and ideas around big data benchmarking and related applications in industry and research.

As part of this international workshop series, WBDB 2015 in New Delhi welcomes participation from students, research scholars, faculty members and professionals from the industry, academia and the government administration.

The keynote speakers will be Prof. Michael J. Franklin, Thomas M. Siebel Professor and Chair of Computer Science Division in University of California Berkeley, USA, and Director of Algorithms, Machines, and People Laboratory ("AMPLab"); and Dr. Mukund Desphande, Head of Analytics, Persistent Systems, Pune, India.

The Organizers invite submission of high-quality, original abstracts to the WBDB 2015 main workshop and the co-located mini-workshop sessions on the following topics:

Benchmarks for Big Data Integration Scenarios;  
Big Data Analytics for Health Systems;  
Big Data Analytics in Air Quality Management in Smart Cities;  
Big Data Analytics in Agriculture.

For the Calls for Papers and further details, visit the workshop website - <http://clds.sdsc.edu/wbdb2015.in>

Paper Submission Deadline: September 28, 2015.

Acceptance Notification: October 30, 2015.

Early Registration Deadline: September 30, 2015. (Seating is limited.)

WBDB 2015 will also feature the '1st. Big Data Benchmarking Challenge' to promote the development of big data benchmarks (for further details, visit website).

Also, you may please share this mail with your colleagues and students who might be interested.

Best wishes, and look forward to seeing you at the Workshop.

Prof. S. Pyne, IIPH Hyderabad.

Program Committee Chair, WBDB 2015.
