5.45 p.m. – Tea & Fellowship :: 6.15 p.m. – Presentation cum Demo :: 8.15 p.m. -- Dinner

---

.
About the Presentation: This evening two hour session will cover: Introduction to 3D Printing; Various
3D Printing Technologies; Process Overview with Demo; Applications of 3D Printing; and Future Outlook.

About the Speaker: Mr. Rakesh Koppunur, working as Sales Head in think3D is a
graduate in Mechanical Engineering with a Masters in in Advance Manufacturing
Systems and MBA in International Business. In think3D, he has played a vital role in
expanding the company operations in various locations across India. Presently he
operates from the think3D's head office in Hyderabad and deals with customers from
various verticals including educational institutions, MNCs, Medical and Architecture to
name a few. He has rich experience in experimenting with the various 3D Printing
technologies and sharing the knowledge and best practices among the clients and providing solutions in
3D Printing and support to them.
